# HIGH-YIELD VERIFIED LITERARY SOLUTIONS & CONCEPTS

*Essential Concepts Repeated Across 2022–2026 Examination Cycles*

| Q#  | Concept / Keyword                                                                                                                 | Key Answer | Official Fact & Rationale                                                                                                                                                                     |
|-----|-----------------------------------------------------------------------------------------------------------------------------------|------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Q01 | Matching Text with Genre: Paradise Lost (Epic), Porphyria's Lover (Dramatic Monologue), King Lear (Tragedy), The Dunciad (Satire) | Opt 1      | Paradise Lost is Milton's epic; Porphyria's Lover by Browning is a dramatic monologue; King Lear is Shakespeare's tragedy; Dunciad by Pope is a mock-heroic satire.                           |
| Q02 | Figures of speech in Eliot's Prufrock: 'pair of ragged claws scuttling across silent seas'                                        | Opt 4      | Ragged claws = Synecdoche (part represents crab); scuttling/silent seas = Alliteration. Correct combination is (C) and (D) only.                                                              |
| Q03 | Enlightenment thinkers identification                                                                                             | Opt 2      | Immanuel Kant ('What is Enlightenment?') and René Descartes are seminal Enlightenment philosophers; Julia Kristeva and Foucault are 20th c. post-structuralists.                              |
| Q04 | T.S. Eliot 'Objective Correlative' essay                                                                                          | Opt 1      | Formulated in 'Hamlet and His Problems' (1919) where Eliot famously declared Hamlet 'an artistic failure'.                                                                                    |
| Q05 | Kamala Das: 'I am Indian, very brown...'                                                                                          | Opt 3      | Opening autobiographical lines of Kamala Das's landmark confessional poem 'An Introduction'.                                                                                                  |
| Q06 | Poetry as 'spontaneous overflow of powerful feelings'                                                                             | Opt 1      | William Wordsworth's foundational definition in the 'Preface to Lyrical Ballads' (1800).                                                                                                      |
| Q07 | Foundational text of Postcolonial theory                                                                                          | Opt 4      | Edward Said's 'Orientalism' (1978) established Postcolonial discourse analysis.                                                                                                               |
| Q08 | Shakespeare's Four Great Tragedies chronology                                                                                     | Opt 2      | Chronological order: Hamlet (1601) -> Othello (1603) -> King Lear (1605) -> Macbeth (1606) [Mnemonic: HOLM].                                                                                  |
| Q09 | Narrator of Raja Rao's Kanthapura                                                                                                 | Opt 1      | Narrated by Achakka, an elderly Brahmin village woman using the traditional Indian Sthala-Purana (oral puranic) style.                                                                        |
| Q10 | Aristotelian Tragedy terms: Hamartia, Anagnorisis, Peripeteia, Catharsis                                                          | Opt 3      | Hamartia is tragic flaw/error; Anagnorisis is moment of recognition; Peripeteia is reversal of fortune; Catharsis is purgation of pity and fear.                                              |
| Q11 | Keats's 'Negative Capability'                                                                                                     | Opt 2      | Defined in Keats's December 1817 letter to George and Thomas Keats as 'when man is capable of being in uncertainties, Mysteries, doubts, without any irritable reaching after fact & reason'. |
| Q12 | Mulk Raj Anand's Untouchable setting & protagonist                                                                                | Opt 4      | Follows a single day in the life of Bakha, an 18-year-old sweeper boy in the fictional town of Bulashah.                                                                                      |
| Q13 | Mary Wollstonecraft and J.S. Mill foundational feminist texts                                                                     | Opt 1      | Mary Wollstonecraft published 'A Vindication of the Rights of Woman' (1792); J.S. Mill wrote 'The Subjection of Women' (1869).                                                                |
| Q14 | Rhyme scheme of Shakespearean sonnet                                                                                              | Opt 2      | Consists of three quatrains and a concluding rhyming couplet: ABAB CDCD EFEF GG (14 lines in iambic pentameter).                                                                              |
| Q15 | Modernist Fiction & Drama Matching                                                                                                | Opt 3      | Arms and the Man (G.B. Shaw, 1894), To the Lighthouse (Virginia Woolf, 1927), The Waste Land (T.S. Eliot, 1922), A Passage to India (E.M. Forster, 1924).                                     |
| Q16 | Fancy vs Imagination distinction in Romantic criticism                                                                            | Opt 2      | Formulated by S.T. Coleridge in Chapter 13 of 'Biographia Literaria' (1817), separating Mechanical Fancy from Primary & Secondary Imagination.                                                |
| Q17 | New Criticism: Intentional Fallacy                                                                                                | Opt 4      | Formulated by W.K. Wimsatt and Monroe Beardsley in their 1946 essay (later in 'The Verbal Icon', 1954).                                                                                       |
| Q18 | Nissim Ezekiel's 'Night of the Scorpion'                                                                                          | Opt 1      | Depicts a mother stung by a scorpion on a rainy night and superstitious villagers searching for the scorpion with lanterns.                                                                   |
| Q19 | Post-structuralism: 'The Death of the Author'                                                                                     | Opt 3      | Written by Roland Barthes in 1967 (translated 1968), arguing that the birth of the reader must be ransomed by the death of the author.                                                        |
| Q20 | Girish Karnad's Tughlaq capital relocation                                                                                        | Opt 2      | Historical allegory where Sultan Muhammad bin Tughlaq shifts his royal capital from Delhi to Daulatabad.                                                                                      |
